Basis and limits

New = first recorded action in the available history, dated FY2025 or FY2026. The cohort requires positive cumulative funding and positive full potential reconstructed through 30 Sep 2026; potential includes options, not annual prices. FY2026 provisional. National exclusions: 50 and 41 respectively; Massachusetts none. Counts are a separate cohort from awards with activity. Source: Qualified Bid public award transactions; exact SQL/response/calculations retained.

Research implications

FAA scope spans Massachusetts and New Hampshire. The Cape Cod visitor-center example is a task order under an existing contract vehicle. These are historical awards, not open bids; contract-wide values are not allocated to one ZIP. End dates are watch leads, not promised rebids.
