Shared mechanical-services buying history

Historical funding: FY2020-FY2026, 1 Oct 2019-30 Sep 2026; checked 10 Oct 2026. FY2026 is provisional; Department of Defense / US Army Corps of Engineers reporting may lag 90 days.

Industry code 238220 covers plumbing, heating and air-conditioning contractors. This is shared mechanical-services history, not a plumbing-only census. Do not add these totals to the heating/air-conditioning lesson. Funding is net obligations after reductions, not cash paid or a price to quote.

National funding, awards and actions

Period	Net obligations	Distinct awards with activity	Actions
seven_year	$6,523,245,172.06	24978	50455
FY2025	$972,671,801.87	4731	6880
FY2026	$981,217,707.94	4251	6340

Awards with activity are distinct award/order identities within the period. Actions are transaction records on those awards. Counts overlap across annual periods; do not add annual distinct counts as unique seven-year awards.

Annual context

Fiscal year	Net obligations	Awards with activity	Actions
2020	$828,698,282.34	5625	7842
2021	$756,857,663.51	5420	7521
2022	$922,908,472.26	5135	7562
2023	$970,316,130.30	5095	7060
2024	$1,090,575,113.84	5099	7250
2025	$972,671,801.87	4731	6880
2026	$981,217,707.94	4251	6340

Ten states to research

Historical funding: FY2020-FY2026, 1 Oct 2019-30 Sep 2026; checked 10 Oct 2026. FY2026 is provisional; Department of Defense / US Army Corps of Engineers reporting may lag 90 days.

Shared 238220; not plumbing-only and not additive with the heating/air-conditioning lesson. Ranked by seven-year net obligations, with recent years shown separately.

Rank	Reported location	FY2020-26 funding	Awards	FY2025 funding	Awards	FY2026* funding	Awards
1	CA	$786,714,774.81	2525	$119,690,945.63	458	$110,253,727.82	408
2	NC	$458,117,192.77	724	$44,577,754.67	134	$73,850,259.48	140
3	FL	$364,503,641.76	1147	$44,662,564.72	248	$40,902,794.28	180
4	TX	$303,841,875.23	1141	$33,036,769.14	229	$60,299,070.47	219
5	VA	$301,556,341.86	1112	$44,222,656.23	205	$67,379,857.12	193
6	MD	$290,976,814.08	1163	$59,166,016.36	280	$37,509,672.75	228
7	IL	$282,379,860.50	802	$35,371,277.15	109	$43,651,626.51	81
8	GA	$265,100,453.29	563	$23,990,314.14	146	$90,601,153.69	123
9	NY	$264,115,415.91	904	$25,423,178.15	178	$30,041,334.36	166
10	OH	$185,496,030.20	886	$30,287,860.42	120	$35,574,956.24	115

Follow each reported location to named facilities, actual services and the buying office. State/city/ZIP totals overlap; do not add them. Counts are activity, not eligibility, winning probability or available bids. ZIP codes remain text, including leading zeros.

The state ranking covers 50 states; DC and territories remain in national/city/ZIP coverage.

Ten reported city labels

Historical funding: FY2020-FY2026, 1 Oct 2019-30 Sep 2026; checked 10 Oct 2026. FY2026 is provisional; Department of Defense / US Army Corps of Engineers reporting may lag 90 days.

Shared 238220; not plumbing-only and not additive with the heating/air-conditioning lesson. Ranked by seven-year net obligations, with recent years shown separately.

Rank	Reported location	FY2020-26 funding	Awards	FY2025 funding	Awards	FY2026* funding	Awards
1	Camp Lejeune, NC	$273,038,741.72	179	$34,603,427.58	43	$45,419,087.11	40
2	Washington, DC	$231,564,063.36	902	$38,955,819.97	200	$17,556,409.42	135
3	San Diego, CA	$190,072,898.90	426	$20,445,526.99	89	$28,766,619.75	71
4	Orlando, FL	$98,533,699.33	37	$1,166,689.53	10	$7,485,830.47	5
5	Cherry Point, NC	$93,293,265.58	133	$5,507,444.00	16	$8,281,185.00	19
6	Dayton, OH	$82,613,672.84	198	$20,650,971.37	53	$19,135,476.12	60
7	Great Lakes, IL	$81,496,740.13	116	$15,738,922.15	33	$1,205,904.38	11
8	Edwards, CA	$72,748,503.42	118	$24,182,310.07	31	$14,296,263.32	24
9	Warner Robins, GA	$67,012,787.77	133	$1,641,557.71	35	$11,035,232.73	25
10	Eielson Afb, AK	$66,967,632.10	12	$1,086,520.00	6	$748,631.00	3

Follow each reported location to named facilities, actual services and the buying office. State/city/ZIP totals overlap; do not add them. Counts are activity, not eligibility, winning probability or available bids. ZIP codes remain text, including leading zeros.

A reported location is not proof of every performance address or service visit. Verify the actual facility and multi-site requirements.

Ten five-character ZIP codes

Historical funding: FY2020-FY2026, 1 Oct 2019-30 Sep 2026; checked 10 Oct 2026. FY2026 is provisional; Department of Defense / US Army Corps of Engineers reporting may lag 90 days.

Shared 238220; not plumbing-only and not additive with the heating/air-conditioning lesson. Ranked by seven-year net obligations, with recent years shown separately.

Rank	Reported location	FY2020-26 funding	Awards	FY2025 funding	Awards	FY2026* funding	Awards
1	28547, NC	$245,666,854.44	173	$31,853,793.58	42	$42,150,345.81	38
2	20301, DC	$97,174,477.58	103	$19,930,430.96	35	$1,972,496.53	17
3	28533, NC	$93,293,265.58	133	$5,507,444.00	16	$8,281,185.00	19
4	60088, IL	$81,496,740.13	116	$15,738,922.15	33	$1,205,904.38	11
5	32899, FL	$77,573,150.31	15	$821,484.00	4	$7,296,267.00	3
6	93524, CA	$70,244,483.31	113	$21,923,386.93	28	$14,296,263.32	21
7	31098, GA	$67,012,787.77	133	$1,641,557.71	35	$11,035,232.73	25
8	99702, AK	$66,967,632.10	12	$1,086,520.00	6	$748,631.00	3
9	40121, KY	$62,731,452.70	524	$13,594,510.47	56	$6,916,469.67	19
10	08641, NJ	$61,568,149.87	276	$14,906,309.27	95	$4,617,221.98	63

Follow each reported location to named facilities, actual services and the buying office. State/city/ZIP totals overlap; do not add them. Counts are activity, not eligibility, winning probability or available bids. ZIP codes remain text, including leading zeros.

A reported location is not proof of every performance address or service visit. Verify the actual facility and multi-site requirements.

Pennsylvania and three dated service examples

Historical funding: FY2020-FY2026, 1 Oct 2019-30 Sep 2026; checked 10 Oct 2026. FY2026 is provisional; Department of Defense / US Army Corps of Engineers reporting may lag 90 days.

Industry code 238220 covers plumbing, heating and air-conditioning contractors. This is shared mechanical-services history, not a plumbing-only census. Do not add these totals to the heating/air-conditioning lesson. Funding is net obligations after reductions, not cash paid or a price to quote.

Period	PA net obligations	Distinct awards	Actions
seven_year	$120,467,224.32	835	1538
FY2025	$18,603,746.39	137	186
FY2026	$7,148,272.56	115	182

Use the Pennsylvania context to focus research

Follow reported location to the actual facility and purchased service. The state history is not a list of current open bids. Ask for source dates, current notices and amendments separately. Verify your own service radius and delivery capacity before treating a buyer as a pursuit target.

Full-award value is not a quote

The examples on the next page show distinct plumbing-related services. Keep cumulative funding, potential including options and recorded performance periods together. Do not use a modification amount as the whole award, annualize a multi-year total without a supported basis or apply an example price to a new repair.

Three recorded plumbing-related service examples

Recorded periods are metadata, not proof of completed performance. In particular, Glenside recorded end 11 Nov 2026 does not establish completed work. Wilkes-Barre uses the full $1,156,687.74 award, not the $89,787.74 modification. Example values are not a quote for a new repair.

Repair condensate drain pipe

36C24423P0750; Philadelphia, PA. Full-award funded $41,000.00; full potential $41,000.00. Recorded period 2023-09-01 to 2023-10-31.

Recorded award source

Drain modifications in the mechanical services building at the eastern regional research center

1232SA26P0255; Glenside, PA. Full-award funded $135,000.00; full potential $135,000.00. Recorded period 2026-05-11 to 2026-11-11. This recorded end date is not completed-performance evidence.

Recorded award source

Replace domestic hot water heaters vamc

36C24422C0012; Wilkes Barre, PA. Full-award funded $1,156,687.74; full potential $1,156,687.74. Recorded period 2022-02-01 to 2023-07-15.

Recorded award source

A dated forecast needs an access check

DHS planning record F2026074968, captured 10 Oct 2026: replacement of the sewage lift station at STA Niagara, Niagara, New York. Estimated value band $350,000-$500,000; estimated solicitation release 10 May 2027; estimated award quarter Q4 FY2027. Industry code 236210 is outside shared 238220 and the Pennsylvania case geography.

Listed route: Design/Build Construction Services II (Regional), RMACC II. Full small business; program to be determined. Verify current record, vehicle access, eligibility and later notice changes. A planning record is not an open bid, guaranteed release or unrestricted prime opportunity.

The official DHS page was unavailable to the retained text reader; no new current-status observation is implied. Ask Qualified Bid for the source date and what it could not read. Do not infer an award or current opening from this dated example.

Value basis before an estimate

Funding less reductions, exercised value and full potential including options are different measures. Recorded periods can span years and places. Use a relevant requirement and your own complete delivery estimate. This resource intentionally makes no unverified keyword-size count, median, distribution or first-action-year claim.
